

WELCOME TO UFX TRADING PVT. LTD.

INTRODUCTION

ABOUT US

UFX-TRADING.CO is a dynamic and multifaceted organization with a strong presence in various sectors. This diversified group is committed to excellence across all its business ventures, each tailored to meet the needs of different markets.

UFX Forex Platform

An innovative online trading platform that provides users with the tools and resources needed to navigate the foreign exchange market. UFX Forex Platform offers a user-friendly interface, real-time data, and expert insights, making it an ideal platform for both novice and experienced traders looking to capitalize on forex opportunities.

OUR MISSION

To be a globally recognized conglomerate that excels in diverse industries, fostering innovation, delivering exceptional value, and enhancing the lives of our customers and communities.

OUR VISION

UFX-TRADING.CO is dedicated to achieving excellence across all our business ventures by providing superior products and services, driving sustainable growth, and fostering a culture of integrity and innovation. We aim to empower our customers to reach their full potential.

OUR PORTFOLIO

01

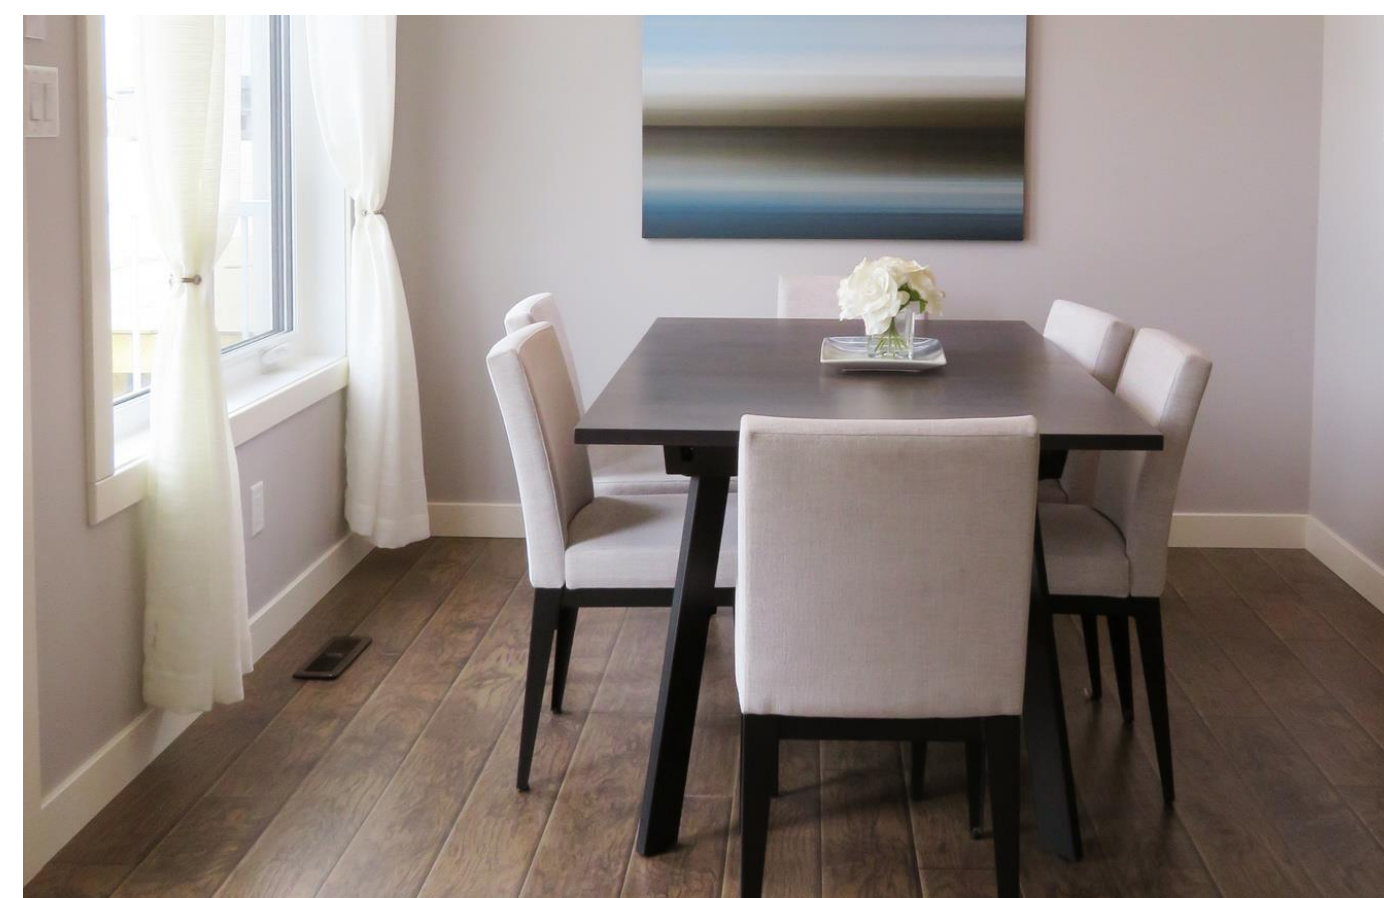

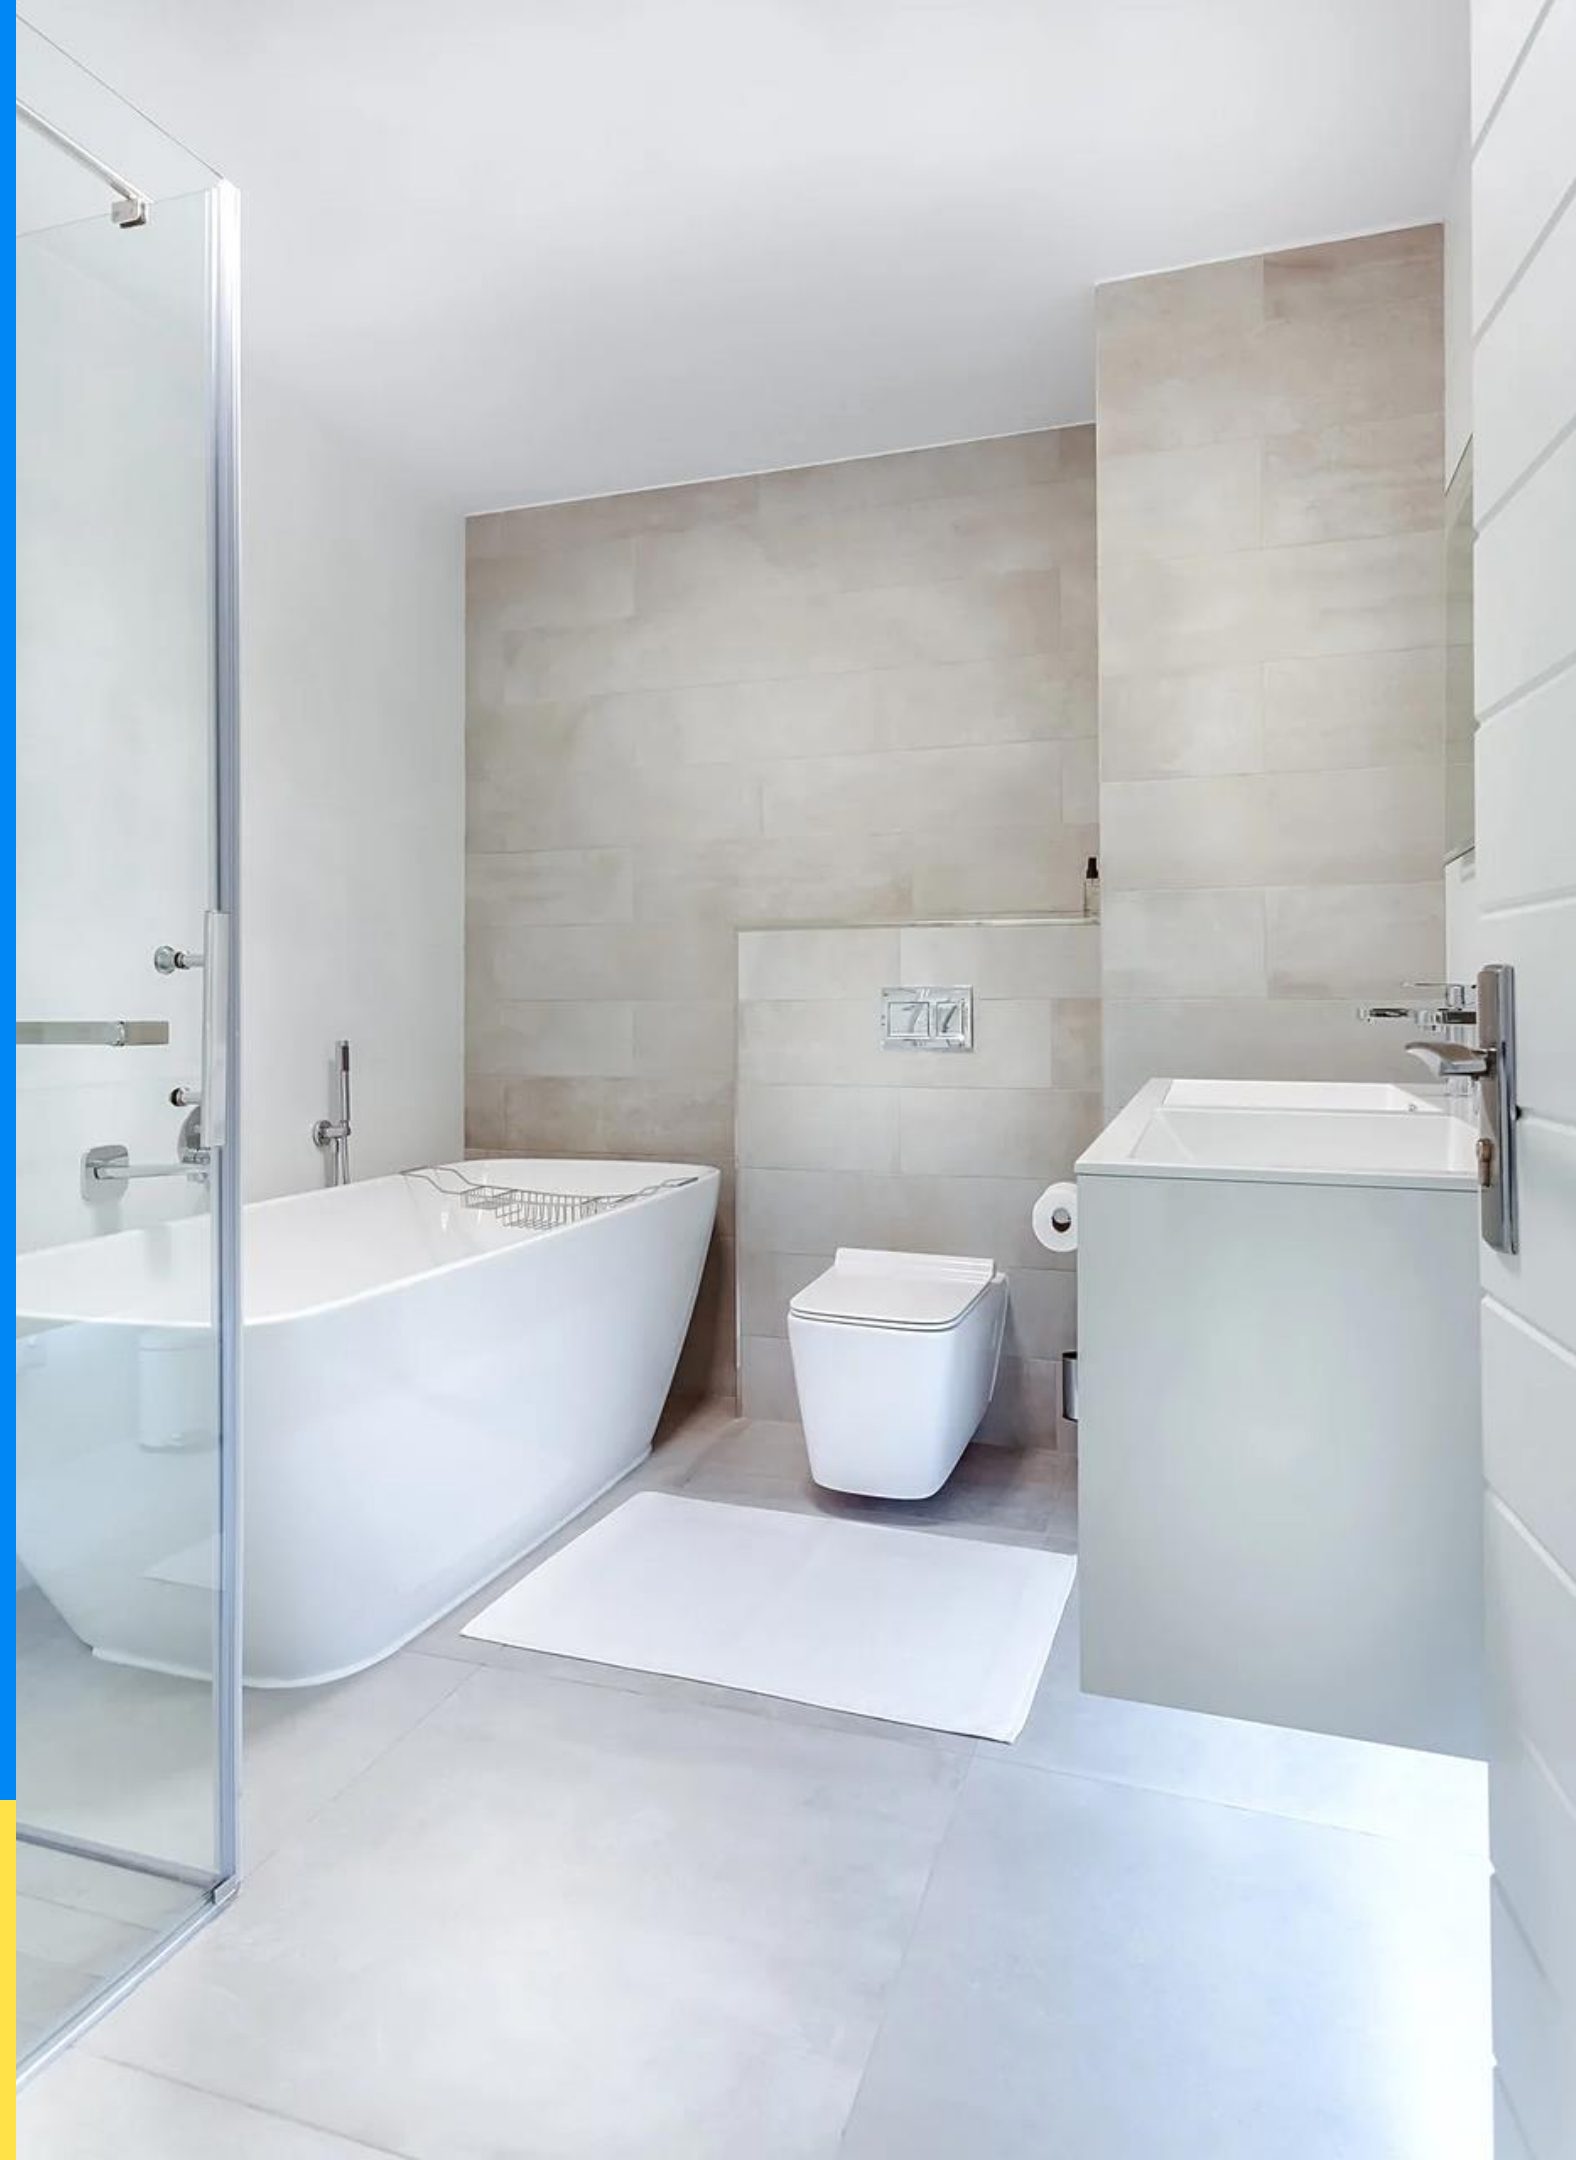

REAL STATE PROPERTIES

A real estate division that focuses on the development, acquisition, and management of residential and commercial properties. GTR Properties is committed to creating high-quality living and working spaces that meet the needs of modern life styles. The company's portfolio includes luxury residences, office complexes, and retail spaces

02

FOREX PLATFORM

An innovative online trading platform that provides users with the tools and resources needed to navigate the foreign exchange market. UFX Forex Platform offers a user-friendly interface, real-time data, and expert insights, making it an ideal platform for both novice and experienced traders looking to capitalize on forex opportunities.

PROPERTY 2 FEATURES

Apartments are typically located in multi-unit buildings and offer a variety of amenities, such as a gym, pool, and parking. They are also often close to schools, shops, and restaurants.

Returns on apartments can include rental income from tenants and potential property value appreciation over time, offering both regular cash flow and long-term capital gains for investors
